

Cotswold Livestock Marketing

SOLD - SOUTH DEVON HERD (breeding stock)

CATTLE ,UK

Description

Genuine South Devon Herd Dispersal Sale

BREEDING STOCK

Comprising of 1 Pedigree South Devon Bull - Approx 7 years of age

22 in-calf cows (44 to 117 months of age)

2 cows with calves at foot (born w/c 25/2/19)

2 empty breeding cows (45 and 57 months)

(For details of store cattle from the same herd see the next advert)

Herd has been farmed near Stockbridge, Salisbury to the highest welfare standards and stockmanship

The whole herd is TB free and tested on a 12 monthly basis but due to a TB outbreak on a neighbouring farm all cattle will need to be pre movement tested.

Can be sold as a whole or in numbers to suit purchaser

All transport can be arranged if required - quotes available upon request
