

Cotswold Livestock Marketing

-SOLD- STABILISER BULL

CATTLE ,UK

Description

For Sale - "Tank" Stabiliser Bull

Purchased in May 2018 from a well respected local breeder and used ever since.

Never been lame, holds his condition well, excellent worker

Photos taken this summer when he was working

Recently ran with 22 cows and served over 75% in the first 3 weeks.

Sale due to the number of daughters in the herd.

Generally easy to handle Available to view along with offspring.
